|---------|--------------------------------------------------------------------------------------|
| Subject | Election of Ken Kehmna as Vice President of the WVMCCD Foundation Board of Directors |
| Meeting | July 27, 2026                                                                        |
| Type    | Action                                                                               |

**Recommended Action(s):** The Board of Directors vote to elect Ken Kehmna to serve as Vice President of the WVMCCD Foundation Board of Directors.

Prepared By: Justin Tran  
Approved By: Melissa Johns

---

### Background

The Foundation Board annually elects officers to provide leadership and support the governance functions of the organization. The Vice President serves as a key member of the Board's leadership team and assists the Board President in carrying out the work of the Foundation. In the absence of the President, the Vice President may perform the duties of the President and support board operations as needed.

Ken Kehmna joined the Foundation Board in 2025 and has demonstrated a commitment to advancing the Foundation's mission of supporting West Valley College, Mission College, and the students they serve. Through his professional experience, engagement with Foundation activities, and connection to Mission College, Ken brings valuable leadership, community connections, and strategic insight to the Board.

### Reference(s)

Article 7 of the West Valley-Mission Community College District Foundation bylaws regarding the election and service of Board officers.

### Coordination

Board members self-nominate for officer positions. Following the March 2026 board meeting, Ken Kehmna nominated himself to fill the open vacancy of Board Vice President.

### Follow-up/Outcome

Upon approval, Ken Kehmna shall assume the office of Vice President effective July 1, 2026, and serve for up to the full length of their term as Director, or a successor is elected by the Board of Directors.
